To whom it may concern:

I am Rev. William J. Dietzler, pastor of St. Paul the Apostle Parish Racine WI. I am writing on behalf of Paul Koleske. Mr. Koleske is a composer and presenter of contemporary Catholic music. Through his music and faith witness he tells his story of struggle and triumph through Jesus and his faith in the Lord. His presentation is excellent and uplifting.

The weekend of July 7-8, 2007 he provided music for our weekend liturgies and then on Sunday evening offered a concert in the Church. His message was clear and uplifting and his music pointed and effective.

I invite you to consider inviting Paul to present at your parish as well. He was a blessing to our community.

Blessings,

Fr. Bill Dietzler
