

St. Malachy Church

407 West E Street, Tehachapi, CA 93561-1642

October 27, 2010

Dear Fellow Pastors and Parish Administrators:

Greetings and Peace!

Last September 25th and 26th St. Malachy's Church here in the mountains of Tehachapi California witnessed the concert of Paul Koleske, a devout Catholic music composer who hails from the State of Wisconsin. Paul's songs are so spirit filled that it soothes the mind and softens the heart. One could immediately feel through his voice and the lyrics of his songs the awesome things that the Lord has worked in his life. The central point of Paul's spirituality is in the Eucharist and this is reflective on how he shared his life changing experiences through the songs he wrote.

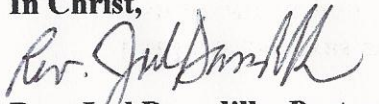

It was a year ago when Paul contacted me asking me if it was possible to have a concert here in the parish. Prior to this I have never heard of Paul Koleske's name. So I researched and found out that he has a website: PaulKoleske.com. It was there in his website that I came to know the man, his life and his music. He has the strong support of his fellow parishioners and is highly recommended by his very own bishop of his archdiocese.

Paul's music was even beamed via satellite to 83 countries while doing a television show with Dana Scallon (We are One Body) on the Eternal Word Television Network (EWTN). Paul's ministry of spreading God's love offers a ray of hope in a world filled with fragile peace and broken promises. It is this kind of evangelization through his life and music that he hopes to reach out to many parish communities that would be willing to welcome him.

Due to the huge success of Paul's concert here in the parish, I have invited him to come back to conduct a 4-day parish Lenten Mission on the first week of April 2011 as a preparation for Holy Week.

Hence, with this letter I am highly recommending Paul Koleske to all of you and your parishes so that you too can experience the peace, joy and hope that his ministry brings. God Bless you in all of your apostolic endeavors!

In Christ,

Rev. Joel Davadilla, Pastor
