#### **To Whom It May Concern:**

Today, we had the pleasure of having Paul Koleske present a concert at Our Lady of Lourdes Catholic Church. Paul presented music at all the weekend masses to the delight of the congregation. His lyric voice coupled with his gentle spirit was a true testament of his strong faith in Christ. His music was very soothing and comforting.

Paul's program ran 90 minutes. He interspersed the music selections with examples from his faith journey with Jesus. It was a very truly exceptional program from both a spiritual and musical standpoint. Paul was very easy to work with and very professional.

I highly recommend one of his programs to a parish. Paul also gives missions which we may be interested in doing so at a later date.

Yours in Christ,
