To whom it may concern:

We were most pleased to have Paul Koleske present his music ministry at our parish, Our Lady of Mt. Carmel, on two occasions.

Paul Has a two-fold ministry, music and word.

His reflections and witness are able to reach a wide spectrum of people; people of faith, people rediscovering their faith, and those who want Mary to be an important part of their spiritual life.

His music is a reflection of his own spiritual life, the search and the finding. I believe it is a message that people need to hear today. The music is suitable for liturgical use at Mass and also for private meditation.

I believe that to experience one of Paul's concerts and testimony is a special grace beneficial to all those present.

I would highly recommend having Paul Koleske come to your church!

Sincerely yours in Christ,

Rev. John J. Richetta
