Dear Fr. Cole:

I'm writing this letter of referral to introduce you to Paul Koleske. Paul was referred to me by another pastor in the Burlington Diocese earlier this year.

Paul has a catholic music and speaking ministry. He visited our parish this past weekend playing at all the masses and giving a concert with spoken reflections on Sunday night.

I had to say a vigil mass at another parish. However, many of my parishioners commented on the quality and message in the music that Paul provided at St. Monica's 5:15 p.m. vigil mass during a fundraising dinner later that night. Paul even played one of his personal compositions for me at that dinner.

Before I left for retreat on Sunday afternoon, I had the opportunity to have lunch with Paul. After hearing parts of his story I feel he has much to offer other parishes. It is apparent to me that Paul has a zeal for the catholic faith and has the ability to inspire others through his ministry.

I would encourage you to consider having Paul visit your parish and I'm sure that you will see the Holy Spirit at work through this lay minister.

May the peace of Christ be with you,

Fr. Leo Bilodeau
Pastor

We, the people of St. Monica Roman Catholic Church, are a Christ-centered community who know, love and serve God and neighbor.
