To Whom It May Concern:

Paul Koleski spent a weekend with us at St. Pius X in Essex Center, Vermont.

He is a faith filled gentleman and gives a great witness to the Lord Jesus and our Blessed Mother.

He provided music at the weekend liturgies. He gave a concert with witness and song on Sunday evening.

Paul shares his life and songs he has written inspired by the Lord, focused on the Lord and Paul's response to the Lord, Jesus' love.

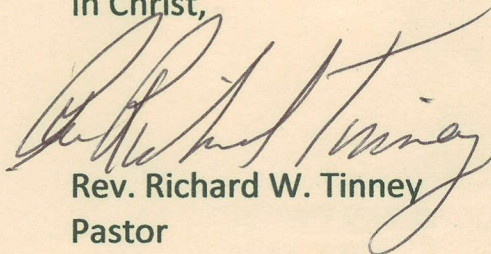

I would certainly recommend him to your Parish. He has much to offer and is willing to share. God has blessed Paul and called him to bring Jesus' love to many.

Many, after the concert, said to me how much they enjoyed and received from the event; thanking me for having Paul.

If you should want to discuss this with me, call Father Tinney at 802-878-5997, St. Pius X, Essex Junction, Vermont 05452.

I pray that God continue to bless Paul and his willingness to share God's love in music and Personal Witness.

In Christ,
