To Pastors and Pastoral Administrators

I would like to recommend Paul Koleske to your parish if you are considering a Lenten, Advent Missions or young adult faith formation program. Paul is a singer, songwriter and presenter who will empower your parishioners with his music and presentations to deepen the faith formation and spirituality of your people.

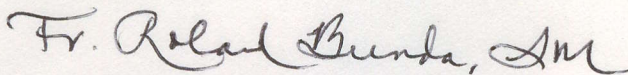

Paul sang at four of our liturgies here at St. Anthony Church in Wailuku, Maui- Hawaii this past weekend. He gave a three day mission focusing on the Light of Christ. Many of my parishioners found Paul to be spirit filled and his music and presentations were very informative and inspirational. Paul has a Catholic Music and Speaking Ministry and does special events in a parish with concerts, retreats, workshops and Youth Ministry events.

If you have any further questions regarding his ministry, please call me or my staff for further references.

Thank you for considering this request.

Happy Lent and Easter blessings to you all.

Sincerely,

Fr. Roland Bunda, S.M.
Pastor
