To Whom It May Concern:

This past April, I invited Mr. Paul Koleski to share his Catholic music and speaking ministry with Our Lady of Calvary Parish in Philadelphia, Pennsylvania.

His music was beautiful and appropriate in the Mass setting and the parish responded very well to it.

On Sunday afternoon, Paul gave a concert that consisted of his personally composed music and spoken reflections that were an inspiration to all those who attended.

I was so happy with the comments from my parishioners that I booked a Mission with Paul for Lent of 2012.

We need more lay ministers in the Catholic Church. Paul Koleske is one good example of a lay person answering God's Call to build the church.

I enthusiastically encourage any parish that is considering hosting Paul's ministry to do so.

I am looking forward to our Parish Mission with Paul as I know it will be a success!

Sincerely,

Rev. John Paul
