Dear Spiritual Leader,

Last month I had an abundant Blessing bestowed upon my parish and myself with the visitation of Paul Koleske. He came for an afternoon concert and presentation.

Before hand he played a few pieces at each Mass and introduced himself. The concert was very spiritual with the music that brought you into deep meditation and peace along with his words of comfort and encouragement in our Faith.

My parishioners have asked me to please bring him back again because they felt so Blessed by his presence and gifts. The parishioners who attended the concert have been telling others what a beautiful afternoon they missed.

I highly recommend Paul and his gifts for a concert or mission.

Thank You God, for using Paul for ministry.

Peace of Christ,

Fr. Tony Gargotta /  
Pastor
