My name is Jacqueline Douglas and I have been Director of Religious Education at Our Lady Queen of Peace Church since 2003. I am writing this letter about Paul Koleske.

Paul came to our parish on July 9, 10 and 11th for our first annual parish festival. Paul did a youth concert on Friday and sang at our four masses on Saturday and Sunday. He closed our festival with a concert on Sunday night. Paul is a charismatic, motivational speaker. The wonderful stories he delivered had wit and wisdom gained from his years as a true "Catholic". Paul exhibits wonderful communication skills with his audience.

It is without hesitation that I recommend Paul Koleske. He inspired and motivated us all here at Queen of Peace.

Sincerely,

Jacqueline Douglas
