To whom it may concern:

I have known Paul Koleske since I baptized him 39 years ago. I am Paul's spiritual director.

Paul has shared his faith and his particular conversion experience with thousands of people since beginning his music ministry in early 1996. His faith is very strong and his personality and speaking ability is dynamic. This presence of faith gives genuineness to his music and his message.

His participation at any Marian conference would be an opportunity for him to share that faith and be a blessing to those who hear him.

Sincerely yours in Christ,

Reverend John J. Richetta
