Dear Paul,

Thank you for sharing your ministry and witness at our parish mission at St. Andrew the Apostle Parish this past weekend. Overall, the parish mission was a success! Your concert and presentations were very well received by the members of our faith community. You provided an uplifting and inspirational message to our parishioners and I believe that many hearts were touched by your music and witness. Everyone thoroughly enjoyed the concert and many commented that they were inspired by your personal journey of faith and your passion for spreading the message of God's love.

We are grateful that you were able to contribute to the success of our parish mission. We offer you our thanks, our prayers and our best wishes for your continued success and that of your ministry.

Sincerely,

Sister Alma Gallagher
Coordinator of Spiritual Life Ministry
