Dear Paul,

I am very happy to write this letter of introduction & recommendation of your music and testimony ministry which so honors Our Lady by bringing and renewing a greater faith in Her Son, Jesus Christ, through your personal experience of Her intercession.

Since welcoming you and your family back to the family of St. Joseph Parish in mid 1991, I have had joy in watching all of you grow together in deeper bonds of faith, hope, and love, beholding how God chooses to use your deepening belief to draw others back and closer to Himself. I have witnessed with pleasure your regular participation in the Sacraments & involvement with the good works of St. Joseph Parish in so many and excellent ways, including your recent presidency of our Parish Council. So many find your example in giving of gifted time and talent an example to imitate on their way to holiness of life as God calls each of us.

I know that many more, near and far, will find a visit from your ministry of music and inspiration an encouragement they may need to grow in wisdom, age and grace before God. I will always be proud and prayerfully supportive of you & do unreservedly recommend your ministry to others. May the God of Mercy bless and keep you.

Sincerely Yours,

Fr. Richard J. Stoffel
PASTOR

P.S. Don't forget to debut your new music collections with our Parish family as they always enjoy your works and your gifts!
